

# Project with all amenities you were looking for

**E**ngineer's Park is a residential project located at Pudupakkam, Chennai. It is a unique project which offers house/plots with a number of useful features and amenities for all residents. These housing plots are meticulously designed along with the rest of the project site. OMR-Vandalur-Kelambakkam roads is one of the hotspots for residential development as well as gateway for Chennai and therefore has a lot of growth potential. Engineer's Park is backed by the **Premier Housing and Properties**, one of the most trusted real estate developers in Chennai, and is therefore a prime choice for a wholesome life experience. It has surveillance and security that promotes a sense of community

living along with privacy. The project provides basic amenities that are required to meet all your needs. there are several civic amenities such as premium schools, medical centers and hospital-ity outlets in the neighbourhood. The avenue ensures green cover for the project. It is near to Siruseri IT park is and ensures better rentals, ideal for investors.
